TRADE AGREEMENTS ACT (TAA) COMPLIANCE STATEMENT

Algo Product Compliance

The Trade Agreements Act (TAA) is intended to foster fair and open international trade. TAA requires that products must be produced or undergo substantial transformation within the United States or a designated country that are recognized as supporting fair and open international trade.

All Algo IP Endpoints meet the requirements of the Trade Agreements Act (TAA) and are approved to be acquired by the United States Government for use.

All relevant conformance documentation and records are on file, available for review by buyer or representative upon request.

Sincerely,

Ryan Zoehner
CEO, Algo Communication Products Ltd
